

Calling All Empaths

First Time Ever Offered in New Mexico
Empath Empowerment® Workshop
with Rose Rosetree

Rose Rosetree with student

What's an empath? Empaths have a lifelong, built-in gift for experiencing directly what it is like to be other people.

Unskilled empaths suffer. Skilled ones don't. For instance, many so-called "co-dependents" are really unskilled empaths.

To become skilled, learn how to turn OFF your natural sensitivity to others, also how to turn it ON—bigger than ever before—just what's covered in this breakthrough workshop.

If you're among the 1 in 20 people with a natural gift for physical, emotional, intellectual, or spiritual empath talent, this workshop could be life-changing.

Could you be an empath? Master your gifts, for greater wisdom, happiness and service.
